Why do you farm?  
What's your favorite thing about farming?

☐ **LEAFY GREENS**

Why are leafy greens good for us?

☐ **BAKED GOOD** (e.g., bread)

Which ingredient do you use the most?  
What plant or animal does that come from?

☐ **ROOT VEGETABLE** (e.g., carrot)

What are some other types of root vegetables?

☐ **FLOWERS**

Can flowers be used for food?  
Can you give me an example of one that can be?

☐ **HONEY**

What animal produces this?  
What crop did bees pollinate to create this honey?

☐ **FRUIT**

Is this fruit from a tree, a shrub or a vine?

☐ **BERRIES**

How are these harvested?

☐ **HERBS**

What are the different uses or common ways to  
use this herb?

☐ **SQUASH**

In what season (summer, fall, winter, spring) is this  
crop harvested?

☐ **CORN**

How many bushels per acre did you harvest this year?

☐ **JAM/JELLY/SALSA**

Why does the fruit last longer when prepared  
this way versus fresh?

\*Note: Depending on the season you might not find all items at a farmers market.  
A good question to ask is when that item will be back in season.
